PROMOTES HIV/AIDS
AWARENESS & HOPE
August 22, 2018
10:00am to 2:00pm**

The Alcoholism Center For Women supports HIV treatment and prevention efforts for all women. ACW addresses substance abuse and mental health concerns to promote health and wellness. An estimated 255,900 women were living with HIV at the end of 2014, representing 23% of all Americans living with the virus. Of women living with HIV, around 12% (or 1 in 8) do not know they are infected. More than 7,000 women received an HIV diagnoses in 2016. HIV significantly affects women and girls in the United States.
